The Purpose Of Our Company Is To Make Soil Better As We Grow Quality Crops

What We Need To Know
To Help You
Grow Picture Perfect Crops

Field Data Sheet

Name _____

Address _____

City, State _____

Zip _____ Phone/Cell _____

Fax/Email _____

Field Identification _____

Field Size _____

Last Year's Crop Was _____

This Year's Crop Is _____

Please check appropriate test(s):

S-1	Soil Analysis w/ Recommendations	\$50.00
S-2	Formazan - Microbial Activity & Soil Index	\$22.00
S-3	Soil Analysis w/o Recommendations	\$25.00
S-4	Boron	\$10.00
S-5	Traditional/C.E.C.	\$18.00
S-OP	Sulfur	\$10.00
S-OP	Organic Matter	\$10.00

Please check which recommendations you prefer:

- Organic
- Biological

Please check if you need the following:

- Soil Bags How Many? _____
- Field Data Sheets How Many? _____

Please Read: The following worksheet only needs to be filled out if you desire fertility recommendations. Please check all that apply to your situation. The more information we have, the better we can tailor our recommendations to your operation.

Past Herbicides Used:

- High Rates
- Low Rates
- None

Applied By:

- Branding
- Broadcast
- Post-Emergence

Chemicals Used: _____

Drainage:

- Wet
- Dry
- Tiled

Irrigation

- Pivot
- Flood
- Row
- Drip
- None

W/ Fertilization

- Yes
- No

After rain, does water soak in or does it run off? _____

Subject to Flooding? Yes No

Tillage Practice(s):

- Moldboard Plow Chisel Plow Permanent Ridge
- Rebuild Ridge Disc Chisel No Till
- Ridge Till Plow Field Cultivate w/ Disc

Row Crop Tillage

- Drag after planting before emergence
- Rotary Hoe
- Cultivate

Past Yields On Your Farm

_____ Corn _____ Soybeans _____ Wheat
 _____ Oats _____ Alfalfa _____ Other

Is Manure Used? Yes No Is It Liquid? Yes No

What is your fertility budget per acre?

- \$10-15 \$15-20 \$20-30
- \$30-40 \$40-50 \$50-60
- \$60-70 \$70-80 Ideal Program

Methods Available To Use:

- Liquid
- Dry
- Slurry

Equipment Available To Use:

- Sprayer
- Seeding Equipment
- Liquid
- Dry

Cultivators, Sidedress

- Liquid Dry None

Has this soil ever been tested by International Ag Labs? Yes No

If yes please give Lab Test No. _____ Year _____
