

11th Annual Field Day

Friday, August 28th, 2020 – Huron, OH

International Ag Labs is pleased to invite you to our 11th Annual Field Day

Our upcoming Field Day will take place at The Chef's Garden in Huron, OH! We hope you'll want to join us!

Wendell Owen's grandson, Konnor Kristenson, will open with a welcome message, followed by our guest speaker, Dr. Don Huber.

Dr. Huber, Professor Emeritus of Plant Pathology-Purdue University will be speaking on the topic of Manganese, a vital trace mineral that interacts with just about every aspect of growing a crop. His presentation will include some of the following:

1. Splitting the water molecule to get hydrogen
2. The availability of Zinc
3. Manganese is a catalyst of enzymatic reactions in the plant
4. Plant health or plant pathology
5. Glyphosate
6. Calcium

The date for our Field Day is Friday, August 28th. Cost is \$10 per person if you register by Sunday, August 22nd. At the door, the cost will be \$20 per person.

To register you may do so online on the Upcoming Events page or simply call MerriDee at 507-235-6909.

Location:

The Chef's Garden
9009 Huron Avery Rd.
Huron, OH 44839

Time:

9-10:00 am – Registration
10:00-10:30 am – Welcome, Konnor Kristenson
10:30 am-12 pm – Don Huber 1st Session
12-1 pm – Lunch (included)
1-5 pm – Don Huber 2nd Session

We look forward to seeing you soon!

With Respect,
Wendell Owens, International Ag Labs
